

DM11 - REGISTRATION FORM

Name (pl print): _____
 Affiliation: _____
 Address: _____

 _____ Country: _____
 Tel: _____ Fax: _____
 E-mail: _____

(or clip your business/name card here)

REGISTRATION FEES

- Full Registration fee 550 euros
(includes attendance, welcome cocktail, morning and afternoon coffee, lunch, a set of Proceedings, the conference kit and conference dinner).
- Bona-fide students 400 euros
(includes attendance, morning and afternoon coffee, a set of Proceedings and the conference kit).
- Conference Dinner (guest) 60 euros
- Conference Reception (guest) 50 euros

1. Telegraphic Transfer

(The payer is responsible for all bank charges incurred)

Account Name: CI-Premier Pte Ltd

Bank Name and Address

Oversea-Chinese Banking Corporation Ltd (Jln Sultan Br),
 200 Jalan Sultan #01-05, Textile Centre, Singapore 199018.

Bank/Branch Codes/Account No. (Swift Address)

7339-515-024354-001 (OCBC-SGSG)

Please send us a copy of your bank transfer order.

2. **Credit Cards** (VISA & MASTERCARD only) are acceptable.
 Please give details and authorisation for charge by email or fax. Alternatively you may remit directly by internet.

Cancellation Policy: *(only acceptable in writing to the Secretariat)*

One week before date of conference: full refund less 25% overhead / administration charges; no refund thereafter, however, a set of the conference documentation will be sent to you, or alternatively you may send a replacement (please advise name) at no extra cost.

FIRST ANNOUNCEMENT

6th International Conference on Dam Engineering

15-17th February 2011
Lisbon, Portugal

Webpage: <http://dam11.lneq.pt>

Organized by:

LABORATÓRIO NACIONAL DE ENGENHARIA CIVIL

Invitation Message

The 6th International Dam Engineering Conference will be held from 15 to 17th of February, 2011 at the Portuguese National Laboratory for Civil Engineering (LNEC), Lisbon, Portugal.

On behalf of LNEC, I am most pleased to invite you to attend the 6th International Dam Engineering Conference. The Conference will be a forum for dissemination and discussion of the latest advances in the broad area of Dam Engineering.

Previously to the Conference, on the 14th of February, a Special One-Day Course will also be organized at LNEC and I strongly encourage your participation on this pre-conference event.

The organizers welcome submissions of papers and also proposals for the organization of Thematic Sessions. I am looking forward to welcoming all colleagues and their accompanying guests from all over the world in Lisbon in February 2011.

Carlos Pina
Conference Chair

CALL FOR PAPERS

The International Dam Engineering Conference steering committee cordially invites you to submit Abstracts of papers to the DAM11 Conference. Instructions for abstracts/papers submissions will be available in the Conference webpage soon.

In the spirit of the Dam Engineering Conference series, the scope of DAM11 will be broad, covering all aspects of dam engineering. Specific topics will include:

MAIN THEMES

- T1 - Concrete and Masonry Dams
- T2 - Embankment Dams
- T3 - Appurtenant Works
- T4 - Tailing Dams
- T5 - Environmental Issues
- T6 - Finance and Economic Aspects

TOPICS

- ST1 - Roller Compacted Concrete Dams
- ST2 - Concrete Face Rockfill Dams
- ST3 - Methods of Analysis and Design of Dams
- ST4 - Dam Foundation
- ST5 - Seismic Analysis
- ST6 - Stability of Dams and Slopes
- ST7 - Dam Monitoring and Instrumentation
- ST8 - Safety Assessment
- ST9 - Operation and Maintenance
- ST10 - Rehabilitation and Dam Heightening
- ST11 - Concrete Swelling Processes
- ST12 - Risk Assessment
- ST13 - Warning Systems
- ST14 - Geomembranes for dams
- ST15 - Dam Management Systems
- ST16 - Design Innovation
- ST17 - Modelling and Testing
- ST18 - New Materials for Dams
- ST19 - Small Dams
- ST20 - Joint/Interface Problems at Concrete Dams
- ST21 - Sedimentation in Reservoirs and Related Problems
- ST22 - Decommissioning of Dams

IMPORTANT DATES

- ⇒ abstract by 30th July 2010
- ⇒ acceptance of abstracts by 15th Sept 2010
- ⇒ draft papers for review by 30th Nov 2010
- ⇒ final papers by 20th Dec 2010

PROPOSE A THEMATIC SESSION

Thematic sessions are very small and specialized events to be held during the conference as a set of oral presentations that are highly specialized in some particular theme or consisting of the works of some particular international project. The goal of special sessions (minimum 4 papers; maximum 8) is to provide a focused discussion on innovative topics. Each prospective organizer is invited to submit a proposal explaining the targeted topic's novelty/importance and listing the contributing authors and their contributions. Proposals for Thematic Sessions close by 28th February 2010.

ONE-DAY COURSE

The Conference steering committee will organize a one-day course on "Concrete Dams Subjected to Swelling Reactions: Diagnosis, Modelling and Rehabilitation" on the 14th February.

The full course details will be available soon in the Conference webpage.

If you are interested attending the one-day course, please, send an e-mail to the Conference Secretariat.

SPONSORSHIP

Sponsorship and exhibition at the conference provides an excellent opportunity to promote your company, support your products, and maintain a high profile in the industry.

Early confirmation of your support to the 6th International Dam Engineering Conference will ensure maximum exposure as your logo can be immediately included on the website and in the extensive promotional campaign implemented in the lead up to the Conference.

If you want to become a sponsor contact the Conference Secretariat.
